STEPHEN TAIWO AJAO

Educator | Web Development Instructor | Full Stack Developer

Ibadan, Oyo State, Nigeria | +234 814 365 5811 | stephenajao97@gmail.com | LinkedIn: Stephen Ajao

PROFESSIONAL SUMMARY

Versatile educator and web development instructor with a strong record in curriculum development, student mentoring, academic assessment, and practical, project-based instruction. Combines a Diploma in Full Stack Development with HND and ND qualifications in Statistics, alongside hands-on experience in computer hardware engineering, desktop publishing, and administrative support. Skilled at translating complex concepts into clear, structured learning experiences and supporting learners toward measurable academic and practical outcomes. Adaptable across teaching, technical, and administrative environments, with a solid foundation in data analysis, office systems, and modern web technologies.
